

Our Company

Our Company

- Elegant Facilities Services was established by experienced professionals with a long-term and successful involvement in the field and focuses mainly in Facilities Management Services.
- Our commitment to provide complete solutions and services is the reason our company has made a dynamic and successful entry in this line of business.
- Our success is due to our experienced, constantly trained staff as well as our ability to adapt our services to satisfy our clients' needs.
- Our vision is for Elegant Facilities Services to be the first choice in provision of services, because of our quality, integrity, prospects and reputation.
- Our goal is to constantly improve our services by being dependable in covering our clients' increasing needs; we offer essential and comprehensive services through technical infrastructure and constant application and improvement of our quality system.

Human Resources

The management of Elegant Facilities Services considers its human resources to be the most essential factor towards the achievement of the company's goals as well as its continuous growth.

Our company remains committed to employee development, as well as creating and implementing incentives for development, creating equal employment opportunities and guaranteeing security at work.

We seek to provide all the necessary tools and resources to achieve personal and corporate success by:

- ✓ Ensuring that the right people are on the right position
- ✓ Creating a strong management team
- ✓ Promoting talent development and creating the right set of incentives and corporate culture
- ✓ Establishing a work culture based on performance.
